

Social Media Policy

1. Policy statement

- 1.1 This policy is intended to help employees including Clerks, RFO's, Executive Officers, part- time, fixed-term and casual employees (collectively referred to as employees in this policy), volunteers and Members/Councillors make appropriate decisions about the use of social media such as blogs, social networking websites, forums, message boards, comments on web-articles, such as Twitter, Facebook and LinkedIn.
- 1.2 This policy outlines the standards we require employees, volunteers and Members to observe when using social media, the circumstances in which we will monitor your use of social media and the action we will take in respect of breaches of this policy.

2. The scope of the policy

- 2.1 All employees, volunteers and Members are expected to comply with this policy at all times to protect the privacy, confidentiality, and interests of the Council.
- 2.2 Breach of this policy by employees may be dealt with under our Disciplinary Procedure and, in serious cases, may be treated as gross misconduct.

3. Responsibility for implementation of the policy

- 3.1 The Council has overall responsibility for the effective operation of this policy.
- 3.2 The Clerk is responsible for monitoring and reviewing the operation of this policy and making recommendations for changes to minimise risks to our work.
- 3.3 All employees, volunteers and Members should ensure that they take the time to read and understand it. Any breach of this policy should be reported to the Town Clerk.

4. Using social media sites in the Council's name

- 4.1 Only the Town Clerk and any officer acting on behalf of the Town Clerk are permitted to post material on a social media website in the Council's name and on our behalf.
- 4.2 Members are not permitted to engage in social media activity in the name of the Council. Any Member engagement on social media should be explicit in that comments are those of the individual Councillor, and do not necessarily reflect the position of the Council, any Committee of the Council, any other Councillor or any officer of the Council.

5. Using social media

- 5.1 We recognise the importance of the internet in shaping public thinking about our Council and community. We also recognise the importance of our employees, volunteers and Members joining in and helping shape local government conversation and direction through interaction in social media.
- 5.2 Before using social media on any matter which might affect the interests of the Council you must have read and understood this policy and employees and volunteers must have sought and gained prior approval to do so from the Town Clerk (unless the use of social media is explicit in an employee's job description).

6. Rules for use of social media

- 6.1 Whenever you are permitted to use social media in accordance with this policy, you must adhere to the following general rules:

- 6.10 Don't escalate heated discussions, try to be conciliatory, respectful and quote facts to lower the temperature and correct misrepresentations.
- 6.11 Don't discuss employees without their prior approval.
- 6.12 Always consider others' privacy and avoid discussing topics that may be inflammatory e.g. politics and religion.
- 6.13 Avoid publishing your contact details where they can be accessed and used widely by people you did not intend to see them, and never publish anyone else's contact details.

7. Monitoring use of social media websites

- 7.1 Employees should be aware that any use of social media websites (whether or not accessed for Council purposes) may be monitored and, where breaches of this policy are found, action may be taken against employees under our Disciplinary Procedure.
- 7.2 Misuse of social media websites can, in certain circumstances, constitute a criminal offence or otherwise give rise to legal liability against you and us.
- 7.3 In particular a serious case of uploading, posting forwarding or posting a link to any of the following types of material on a social media website, whether in a professional or personal capacity, may amount to gross misconduct (this list is not exhaustive):

 - (iii) material which is offensive or obscene;

 - (vi) any other statement which is likely to create any liability (whether criminal or civil, and whether for you or the Council); or
 - (vii) material in breach of copyright or other intellectual property rights, or which invades the privacy of any person.
- 7.4 Where evidence of misuse is found we may undertake a more detailed investigation in accordance with our Disciplinary Procedure, involving the examination and disclosure of monitoring records to those nominated to undertake the investigation and any witnesses or managers involved in the investigation. If necessary such information may be handed to the police in connection with a criminal investigation.
- 7.5 If you notice any use of social media by other employees, volunteers or Members in breach of this policy please report it to the Town Clerk.

8. Monitoring and review of this policy

- 8.1 The Town Clerk shall be responsible for reviewing this policy annually to ensure that it meets legal requirements and reflects best practice.
