Town Council Meeting - Public Period

Questions raised by members of the public

Penny Griffiths of Dog Lane raised a concern about overgrown grass at the riverside by Dog Lane car park. The Town Clerk agreed to bring this to the attention of WFDC.

Mrs White and Mr Blount of Bewdley raised an issue with the new height barriers that had been installed at the entrance to both long stay car parks in Bewdley. This means that people with motorhomes or larger vehicles cannot use the long stay parking facilities. It was agreed that a meeting of the Community Development Committee would be called to discuss this issue in more detail as there was some division in the town about the height barriers.

Mr Ken Smith of Gardners Meadow raised a concern about the CCTV cameras not being operational in the public car park. He had already been in contact with WFDC but the Town Clerk agreed to write to WFDC to ask when this matter would be dealt with. Mr Smith also said that the residents of Gardners Meadow fully supported the height barriers following the recent incursion of travellers on the site.

Mr Rod Stanczyszyn asked why the vehicle activated sign had been removed from Cleobury Road. The school crossing patrol lights are also on late at night on Cleobury Road. Mr Stanczyszyn also asked whether some vehicle volume surveys could be undertaken on Welch Gate. The Mayor advised that Cllr Roger Coleman was currently working on a report for town council on this issue and invited Mr Stanczyszyn to make contact with him.

Police and Neighbourhood Watch Reports

There were none.

District and County Councillor Reports

There were no verbal reports, but both District and County Councillor Becky Vale and County Councillor Ian Hardiman both submitted written reports which were circulated to Members and noted.
