To be amended to advise members that they can request a printed copy to be sent to them in the post.
- b) A copy of the council’s Data Protection Policy, which is included on the USB stick, should also be provided as a paper copy in the folder.
- c) With regard to expenses on page 17, that the Mayor will be entitled to claim for travel within the parish (this would be from the budget allocated to the Mayor’s expenses)

151. **Preparation of Budget for 2020/21**

To appoint a sub-committee and arrange dates of meeting

152. **To discuss the Council’s Scheme of Delegation**

For the purposes of getting through day-to-day business, the Council may delegate decision-making to the Town Clerk, to its committees (and to another local authority) for which it would agree a Scheme of Delegation. Thus, each of the council’s committees would be expected to act on behalf of the Council without requiring full council approval for all of its actions but would report upon them to the next meeting of the Council. Similarly, this is the case for the Town Clerk whose job description states the expectation of autonomy with regard to the council’s administrative function.

In July last year the Council took action to scale back its delegated authorities but did not review the Scheme of Delegation, some aspects of which are now being questioned.

It is therefore proposed to establish a sub-committee to review the Scheme of Delegation to enable the council's committees and staff to move forward with council business appropriately.

The proposed Scheme of Delegation as at May 2019 and the previously agreed Scheme from April 2018, are attached.

153 To consider the Transforming Places through Heritage Programme

Funding is available from Historic England to support high streets located in Conservation Areas to bring historic buildings back into use and adapt to the challenges they face.

154 To agree the response to the annual Police and Crime Commissioner questionnaire

The questionnaire has been circulated to each town councillor; the responses are to now be collated and the council's response agreed (to follow)

155 To consider Youth Provision in Bewdley

Cllr R Stanczyszyn has provided a report, as attached seeking to open discussion aimed at bringing back Youth Service Provision at the WCC owned building, Stourport Road to allow for qualified leaders being present at sessions outside of school hours.

156 To respond to the WFDC Consultation on Draft Revised Statement of Licensing Policy

The following was received from Worcestershire Regulatory Services:

“Statement of Licensing Policy Review – Consultation 2019

Wyre Forest District Council - Licensing Act 2003

Have your say on the Council's Statement of Licensing Policy

Wyre Forest District Council is currently conducting a periodic review of its statement of licensing policy under section 5 of the Licensing Act 2003. The policy statement sets out how the Council will approach its functions as a licensing authority under the Act.

A draft revised statement of licensing policy has been produced and can be downloaded from this page.

[Draft Revised Statement of Licensing Policy 2019 - 2024](#)

The draft revised policy has been updated to reflect changes to the law and guidance since the existing statement of policy came into effect in 2014. The changes between the draft revised version and the existing statement of licensing policy are shown with the use of red text.

Should you wish to comments on the draft revised statement of licensing policy, please email enquiries@worcsregservices.gov.uk or send your comments by post to:

The consultation will remain open for comments until **Friday 19 July 2019**. Any comments received will be considered by the Council before the publication of a new Statement of Licensing Policy.”

A copy of the consultation document is provided for members by email as a separate document.

157. **To consider the energy contract to the Town Clock and Christmas Lights**

The Town Council's contract with npower to supply electricity for the Town Clock (via St Anne's church) and the seasonal Christmas Lights, is now out of contract. To be 'out of contract' incurs costs over and above the contracted rates. Npower suggest the following options:

- leave as now meaning both supplies are on deemed out of contract rates
- Consider the contract offer 1/4/2019 to 31/03/2020 will be backdated to May 2018.
- Move to a different energy supplier

158 **To receive any urgent matters not on this agenda subject to prior notification**
