

BEWDLEY WI PRESENTS

A TALK ON MILITARY FLYING IN WW2 BY ROBERT ARLEY - EX BBC FACTUAL PROGRAMMES PRODUCER AND AUTHOR - TO TAKE PLACE ON 2 SEPTEMBER 2019 AT 7.30PM AT ST GEORGE'S HALL, BEWDLEY - ADMISSION £3.50 PAYABLE ON THE DOOR

In 2018 The Royal Air Force celebrated its 100th anniversary. Newspapers showed pictures of a magnificent fly-past over London. But the events of the Second World War were frequently simplified to a few

fearless Spitfire pilots scaring off Adolf Hitler. Robert will explain the complexity of aircraft missions across the globe during those daunting years - wishing to widen understanding of those

formidable undertakings that have shaped modern Europe.
